

## Washington DC Research Assignment

With your partner(s), you will be assigned a memorial to research and present to the class before our trip to Washington, D.C. Your presentation must include all the information outlined in the chart provided. You may use Google Slides, Prezi, or another presentation tool (with approval).

Be sure your presentation is accurate, clearly written in complete sentences, and free of spelling or grammar errors.

Your memorial:

Who or what does the memorial honor, and why was it created?

When was the memorial built, and who designed it?

What symbols or design elements are used, and what do they represent?

Where is the memorial located, and is there any significance to that location?

At least three interesting facts about your memorial:
